

Cutting edge science from the world's premier oncology event

BEST OF ASCO® 2010 AUSTRALIA

Saturday 14 August 2010 | Four Seasons Hotel | Sydney, Australia

Presented by the Medical Oncology Group of Australia Incorporated (MOGA) with an unrestricted educational grant provided by Roche Australia.

Medical practitioners and professionals working in oncology and related areas in Australia and the Asia Pacific region, are invited to attend Best of ASCO® 2010 Australia, to experience the latest in cutting-edge oncology research and science.

This one day program presents the latest advances in oncology research from the 2010 June Annual Meeting of the American Society of Clinical Oncology (ASCO) - the seminal meeting for oncologists worldwide.

The Program aims to:

- Improve global cancer care
- Enable oncology professionals in Australia and the Asia Pacific region to learn about and debate the scientific, research and practice changing highlights presented at the ASCO Annual Meeting
- Feature international and Australian oncology experts as Faculty, presenting and reviewing the research and scientific outcomes of the ASCO Annual Meeting in core sessions dealing with the major tumour types and in consideration of the Australian and regional context

Registration | Fee - Au\$300 (plus GST)

For further information and to register for the meeting, please visit
